VENUE (LUNCH, DINNER, LECTURES)

KUR-SALON

Kur-salon in Banja Koviljača is a magnificent historical building and one of the most recognizable landmarks of the spa town. Built in 1932, during the reign of King Alexander I Karađorđević, it was designed as an elegant venue for social gatherings, concerts, and cultural events. Featuring a blend of neoclassical and baroque architectural styles, the castle exudes grandeur with its spacious halls, intricate décor, and beautifully landscaped surroundings. Today, Kur-salon continues to serve as a cultural and event center, preserving the rich tradition of Banja Koviljača as a prestigious spa destination.

VENUE (LECTURES, ACCOMMODATION)

HOTEL PODRINJE

Hotel Podrinje, located in the heart of Banja Koviljača, offers a comfortable and relaxing stay near Serbia's renowned spa and wellness center. Surrounded by lush greenery and just a short walk from the famous Banja Koviljača Park, the hotel provides an ideal retreat for guests seeking rest, rehabilitation, or an active vacation. With well-equipped rooms, a restaurant serving local and international cuisine, and proximity to medical and wellness facilities, Hotel Podrinje is a great choice for both leisure and health-focused travelers.

VENUE (ACCOMMODATION)

ROYAL SPA HOTEL

ROYAL SPA Hotel is situated in the centre of Banja Koviljaca, at the entrance to the one of the most beautiful spa parks in Serbia. It has become an ideal place for resting – a real oasis of peace, stillness and luxury.
Owing to its perfect location, modern elegance and diverse offer, this hotel represents a perfect choice for all guests who need a break from everyday stress, peace and quietness, relaxation and family gathering, walking and picnic in nature, celebrations, organized conferences, seminars, or relaxation in our wellness center – Spa treatments, massages and fitness.

VENUE (LECTURES)

SPECIALIZED REHABILITATION HOSPITAL

Situated at the very heart of Banja Koviljaca, the specialized rehabilitation hospital of the same name is among Europe's state-of-the-art rehabilitation centers. This elite healthcare institution dedicated to prevention, healing and rehabilitation, owing to decades of experience, has succeeded in bringing together the treasures of traditional, natural methods of treatment and those of modern physical medicine and rehabilitation techniques.
